

Product Specification:

BR Mk.1 Corridor First FK (d.116) Ready to Run or Kit form

- 'O' gauge
- Available hand built or as a kit
- Constructed from etched nickel-silver with cast whitemetal & resin components
- Corridor handrails and connections included
- Sprung buffers by NMRS
- Scale screw-link couplings (fitted as standard when RTR)
- Highly detailed interior includes 'upholstered' seats, plus advertisements
- Designed for easy access to interior – facilitates easy introduction of passengers, maintenance, etc
- Kit includes interior detailing and bogies but does not include wheels
- The RTR model is available in all relevant liveries:
 - Prototypical wheelsets by Peartree Farm Engineering
 - BR blood & custard, BR (M) lined maroon, BR(W) chocolate & cream, BR(S) green (one coach only!), BR corporate blue / grey (with Regional variations, e.g. Scotrail); other liveries e'g NSE, privatised etc, at additional cost
 - Choice of finish – gloss / satin / matt, pristine or slightly weathered, grimy underneath
 - First class stickers to external windows
 - Any coach No. may be specified
 - Passengers available as optional extra
